F2. Farmacia de pedidos por correo

Puede recibir los medicamentos con receta en su hogar a través de nuestro programa de entrega de pedidos por correo de la red, conocido como el programa de entregas en el hogar Alliance Rx Walgreens Prime. Las farmacias deben obtener su consentimiento para enviar o entregar cualquier medicamento con receta que no haya pedido personalmente. Si un profesional envía una receta a una farmacia por usted, la farmacia se pondrá en contacto con usted para obtener primero su aprobación.

Por lo general, debe esperar recibir sus medicamentos con receta en el plazo de 10 días hábiles a partir del momento en que la farmacia de pedido por correo reciba el pedido. Si no recibe su medicamento con receta dentro de este período, o si necesita pedir un reembolso por medicamentos que recibió y que no quería o necesitaba, comuníquese con nosotros al número que aparece al pie de la página. Para obtener más información sobre las farmacias de pedidos por correo, consulte el Capítulo 5, página 5 del **Manual del Miembro**.
